## REQUEST FOR RESTARTING TIME PERIOD FOR RESPONSE

Sir:

In response to the office action mailed November 6, 2006, and the interview with the Examiner on November 24, 2006, applicant respectfully requests the time period to respond to the Final Office Action dated November 6 be restarted. This request is being made since the citation of references, PTO Form 892 mailed on November 6, 2006 is incorrect for clearly NOT referencing U.S. Patent 6,402,613 to Teagle, which was cited in paragraph 12 of the office action mailed on November 6, 2006. In view of this error, and the fact applicant is bringing this error to the attention of the Patent Office in writing within one month of the mail date of the office action, applicant respectfully requests the U.S. Patent Office reset the time period for reply to be reset. Such action is respectfully requested.

Respectfully Submitted;
